**3.5 GPM @
4000 PSI**

DG-354037

DGA-354037

- Same great machines, with the addition of an **upgraded pump and unloader valve rated at 4000 PSI!**
- **Increased PSI makes it easier to blast away dirt on “tough to clean” items** such as heavy equipment, mining equipment, oil field equipment, boats, concrete trucks, heavily stained concrete, and more!
